### **Background**

The Northern Ireland Assembly Commission (Assembly Commission) is a corporate body established by section 40 of the Northern Ireland Act 1998. It must provide the Assembly, or ensure that the Assembly is provided, with the property, staff and services required for the Assembly's purposes. The Commission employs a Secretariat to serve the Assembly. The management structure of the Assembly Secretariat is illustrated on the Recruitment website.

The Information Systems Office (ISO) sits within the Parliamentary Services Directorate and provides the Information and Communications Technology (ICT) systems and services to support the business of the Assembly. There are at present fifteen staff in the ISO team supporting 650+ users including Assembly Members, their staff (including staff in Constituency Offices), Party support staff and Assembly Secretariat staff. Staff are predominantly Information Systems (IS) and Information Technology (IT) specialists and there are a small number of administrative staff.

The ISO supplies a full range of computing services to support the business and administration of the Assembly. Bespoke software development is a key service, therefore, the ISO maintains a dedicated software development team with the primary focus of developing, maintaining and supporting Assembly systems.

Most systems are deployed within the Assembly network, however, with the emergence of mobile and cloud technology, there has been a greater demand to develop bespoke systems that can be accessed from outside of Parliament Buildings. The ISO seeks to expand its software development team to help manage an increasing workload.

## **Location**

The successful applicant will be based in Parliament Buildings, Belfast.

**Application forms submitted after the closing time and date will not be accepted.**

## **Stages of the Selection Process**

### **Eligibility Sift**

The essential criteria reflect the experience and knowledge that an applicant must possess in order to be able to undertake the role. An eligibility sift will be carried out on the basis of the information contained in the essential criteria section of the application form. You must therefore demonstrate clearly in your form how, and to what extent, you meet with the essential criteria for the post.

### **Shortlisting**

The selection panel reserve the right to use shortlisting as part of the selection process for this post. Should shortlisting be used, the shortlisting criterion listed in the Job Specification will be applied. The selection panel reserve the right to set a minimum standard for the shortlisting criterion which applicants must achieve in order to be invited to the interview stage of the selection process. If shortlisting is not necessary, all applicants who have demonstrated the essential criteria will proceed to the interview stage of the selection process.

### **Interview Stage**

A selection panel will interview applicants who have met the required standard at the eligibility sift. The interview will address the essential criteria and the Assembly Skills and Behaviours listed in Job Specification.

Part of the interview process will be the delivery of a presentation. The subject of the presentation will be advised to the applicant on the day of the interview and the applicant will be expected to present information to the selection panel.

**Interview dates are planned for week commencing 24 February 2020.**

### **Further Interview Stage**

The selection panel reserves the right to hold a further interview stage if deemed necessary.

## **GUARANTEED INTERVIEW SCHEME**

In line with the Equality Commission's Positive Action for People who are Disabled guidance, the Assembly Secretariat operate a Guaranteed Interview Scheme (GIS). The GIS has been developed for applicants with disabilities or those with a long term impairment or health condition, that is expected to last for at least 12 months and which means that they cannot meet all of the shortlisting criteria. In instances where tests will be used as a shortlisting tool, provided that the applicant has demonstrated in their application that they meet the essential criteria for the post and reach the minimum standard set for the test, the applicant will be offered a guaranteed interview.

**Applicants with disabilities or a long term impairment, or health condition, who require reasonable adjustments to enable them to participate in any part of the selection process, should indicate this on their application. A member of the Human Resources Office will then contact the applicant to discuss.**

### **Terms and Conditions of Appointment**

This is a permanent appointment. The successful candidate will be an employee of the Assembly Commission. All appointments are subject to the satisfactory completion of a six-month probationary period.

The standard working week is 37 hours, excluding meal breaks (42 hours gross). Working hours will be dictated by the mode of operation of the Assembly and may involve work into late evenings, at weekends and on public holidays.

In addition to the usual public and privilege holidays, there is an annual leave allowance of 25 days, increasing incrementally by one day per year up to a maximum of 30 days. Please be aware that a major influence in determining when leave can be taken will be the parliamentary timetable.

As an equal opportunities employer, we are happy to talk about the possibility of flexible working in this role with the successful applicant.
