Further information on the Recruitment and Selection Framework are included in the Guidance on Recruitment and Selection for Applicants.

### **Eligibility Sift**

The essential criteria reflect the experience and knowledge that an applicant must possess in order to be able to undertake the role. An eligibility sift will be carried out on the basis of the information contained in the essential criteria section of the application form. You must therefore demonstrate clearly in your form how, and to what extent, you meet with the essential criteria for the post.

### **Shortlisting**

The selection panel reserve the right to use shortlisting as part of the selection process for this post. Should shortlisting be used, the shortlisting criterion listed in the Job Specification will be applied. The selection panel reserve the right to set a minimum standard for the shortlisting criterion which applicants must achieve in order to be invited to the interview stage of the selection process. If shortlisting is not necessary, all applicants who have demonstrated the essential criteria will proceed to the next stage of the selection process.

### **Assessment Stage**

The assessment stage will include an interview which will address the information contained in the Job Specification and will assess elements of the Recruitment and Selection Framework.

Part of the assessment stage will also be a job related skills test. Details will be provided in the invite to interview letter.

**Interviews are planned for 25, 28 and 29 September 2020.**

### **Further Interview Stage**

The selection panel reserves the right to hold a further interview stage if deemed necessary.

## **Guaranteed Interview Scheme**

The Guaranteed Interview Scheme (GIS) has been developed for applicants with disabilities or those with a long-term impairment or health condition, that is expected to last for at least 12 months and which means that they cannot meet all of the shortlisting criteria. In these instances, provided that they have demonstrated in their application form that they meet the essential criteria for the role, the applicant will be invited to interview.

In instances where an assessment or test forms part of the selection process and is not a shortlisting tool, then all applicants must meet the minimum standard required including those applying under GIS.

The application form will include a section on disability, and an applicant can indicate whether they wish to apply under the GIS for that particular role and the basis on which they qualify for the GIS.

**Applicants with disabilities or a long term impairment, or health condition, who require reasonable adjustments to enable them to participate in any part of the selection process, should indicate this on their application. A member of the Human Resources Office will then contact the applicant to discuss.**
