## Information for Applicants

---

The Northern Ireland Assembly Commission (the Assembly Commission) is committed to equality of opportunity in employment and welcomes applications from all suitably qualified applicants irrespective of religious belief, political opinion, race, age, gender, disability, marital status, sexual orientation or people with dependants or without. **All applications for employment will be considered on the basis of merit.**

### **Background**

The Assembly Commission is a corporate body, established by section 40 of the Northern Ireland Act 1998. It provides the Assembly, or ensures that the Assembly is provided, with the property, staff and services required for the Assembly's purposes. The Assembly Commission employs a Secretariat to serve the Assembly. The management structure of the Assembly Secretariat is illustrated on the Recruitment website.

Assistant Assembly Clerk's role is to support the legislative process, and to service and support committees of the Assembly and plenary meetings of the Assembly, which is delivered through a number of procedural offices including the Bill Office, the Business Office and the Clerking and Member Support Office.

**The Bill Office** supports the work of the Assembly in the management of legislation through its plenary and committee stages and is responsible for ensuring that the Acts, which finally emerge, fully reflect the deliberations and decisions taken by Assembly Members. The Bill Office is also responsible for providing advice to Members on the admissibility of proposed amendments to Bills and for supporting the development of Members Bills.

**The Business Office** supports the work of plenary sessions of the Assembly. The Business Office acts as the focus for procedural advice to the Speaker and Members on the conduct of Assembly business and is responsible for the production of Order Papers, proposed Amendments to motions, and the Minutes of Proceedings, which are the official legal record of the business of the Assembly. The Business Office supports the Business Committee and processes Assembly questions and the laying of documents in compliance with Standing Orders and Speaker's rulings.

**The Clerking and Member Support Office (CAMS)** has responsibility for supporting statutory and other Committees established by the Assembly. The CAMS Office arranges and services committee meetings, events and visits, records committee proceedings, commissions research and advice, and drafts committee reports and speeches. The CAMS Office also provides advice and guidance to Committee Chairpersons and Members through the Chairpersons' Liaison Group, and is responsible for the implementation of the Member Development Strategy. In addition, the CAMS Office provides the Secretariat to the Independent Financial Review Panel.

Each of these procedural offices is staffed by a number of clerking teams.

### **Location**

The successful applicant will be based in Parliament Buildings, Stormont, Belfast.

### **Stages of the Selection Process**

There are five elements within the Recruitment and Selection Framework:

**Experience** – the knowledge or mastery of an activity or subject gained through involvement in or exposure to it.

**Ability** – the aptitude or potential to perform to the required standard.

**Technical** – the demonstration of specific professional skills, knowledge or qualifications.

**Assembly Skills and Behaviours** – the actions and activities that people do which result in effective performance in a job.

**Strengths** – the things we do regularly, do well and that motivate us.

The elements which will be assessed for this role will be Experience, Ability, Assembly Skills and Behaviours and Strengths and the selection method(s) that will be used are detailed below. Further information on the Recruitment and Selection Framework are included in the Guidance on Recruitment and Selection for Applicants.

### **Online Testing**

Online testing will be used as a shortlisting tool. Invitation to test does not imply that an applicant possesses the essential criteria. The tests will be held online and instructions and further information will be issued to applicants after the closing date for applications. Only those applicants who meet the minimum standard and who score highest in the tests, will be considered for the next stage of the selection process: the eligibility sift.

### **Eligibility Sift**

The essential criteria reflect the experience and knowledge that an applicant must possess in order to be able to undertake the role. An eligibility sift will be carried out on the basis of the information contained in the essential criteria section of the application form. You must therefore demonstrate clearly in your form how, and to what extent, you meet with the essential criteria for the post.

### **Assessment Stage**

As part of this stage of the selection process, applicants will be required to complete a written exercise. The interview will address the information contained in the Job Specification and will assess elements of the Recruitment and Selection Framework.

Part of the interview process will be the delivery of a presentation. The subject of the presentation will be advised to the applicant on the day of the interview and the applicant will be expected to present information to the selection panel.

**Further information on the Recruitment and Selection process is available in the [Recruitment and Selection Framework](#) and [Guidance on the Recruitment and Selection for Applicants](#).**

### **Guaranteed Interview Scheme**

The Guaranteed Interview Scheme (GIS) has been developed for applicants with disabilities or those with a long-term impairment or health condition, that is expected to last for at least 12 months and which means that they cannot meet all of the shortlisting criteria. In these instances, provided that they have demonstrated in their application form that they meet the essential criteria for the role, the applicant will be invited to interview.

If an assessment or test is used as a shortlisting tool then applicants applying under GIS will not be required to complete the assessment or test and will be offered a guaranteed interview, provided that they demonstrate in their application form that they meet the essential criteria for the role.

In instances where an assessment or test forms part of the selection process and is not a shortlisting tool, then all applicants must meet the minimum standard required including those applying under GIS.

The application form will include a section on disability, and an applicant can indicate whether they wish to apply under the GIS for that particular role and the basis on which they qualify for the GIS.

**Applicants with disabilities or a long term impairment, or health condition, who require reasonable adjustments to enable them to participate in any part of the selection process, should indicate this on their application. A member of the Human Resources Office will then contact the applicant to discuss.**

### **Terms and Conditions of Appointment**

This is a permanent appointment. The successful candidate will be an employee of the Assembly Commission. All appointments are subject to the satisfactory completion of a six-month probationary period.

The standard working week is 37 hours, excluding meal breaks (42 hours gross). Working hours will be dictated by the mode of operation of the Assembly and may involve work into late evenings, at weekends and on public holidays.

In addition to the usual public and privilege holidays, there is an annual leave allowance of 25 days, increasing incrementally by one day per year up to a maximum of 30 days. Please be aware that a major influence in determining when leave can be taken will be the parliamentary timetable.

As an equal opportunities employer, we are happy to talk about the possibility of flexible working in this role with the successful applicant.

The successful applicant will be given suitable training, including formal specialised courses as necessary.

Details of our employee benefits are available on our recruitment website [www.niarecruitment.org](http://www.niarecruitment.org).

### **Equality Monitoring**

Under Fair Employment legislation, we are required to monitor the community background and gender of those applying for jobs. You must therefore complete the equal opportunities monitoring section of the application form when applying for the post.

### **Merit List**

The merit list will remain "live" for 18 months from the date it is signed and may be used to fill any further permanent or fixed term opportunities for the same post.
