Stages of the Selection Process

There are five elements within the Recruitment and Selection Framework:

Experience – the knowledge or mastery of an activity or subject gained through involvement in or exposure to it.

Ability – the aptitude or potential to perform to the required standard.

Technical – the demonstration of specific professional skills, knowledge or qualifications.

Assembly Skills and Behaviours – the actions and activities that people do which result in effective performance in a job.

Strengths – the things we do regularly, do well and that motivate us.

The elements which will be assessed for this role will be Experience, Technical, Assembly Skills and Behaviours and Strengths and the selection method(s) that will be used are detailed below. Further information on the Recruitment and Selection Framework are included in the Guidance on Recruitment and Selection for Applicants.

Eligibility Sift

The essential criteria reflect the experience and knowledge that an applicant must possess in order to be able to undertake the role. An eligibility sift will be carried out on the basis of the information contained in the essential criteria section of the application form. You must therefore demonstrate clearly in your form how, and to what extent, you meet with the essential criteria for the post.

Shortlisting

The selection panel reserve the right to use shortlisting as part of the selection process for this post. Should shortlisting be used, the shortlisting criterion listed in the Job Specification will be applied. The selection panel reserve the right to set a minimum standard for the shortlisting criterion and/or to only invite those who score highest in the shortlisting criterion to the next stage of the selection process. If

shortlisting is not necessary, all applicants who have demonstrated the essential criteria will proceed to the next stage of the selection process.

Interview Stage

The interview will address the information contained in the Job Specification and will assess elements of the Recruitment and Selection Framework.

Further information on the Recruitment and Selection process is available in the [Recruitment and Selection Framework](#) and [Guidance on the Recruitment and Selection for Applicants](#).

Guaranteed Interview Scheme

The Guaranteed Interview Scheme (GIS) has been developed for applicants with disabilities or those with a long-term impairment or health condition, that is expected to last for at least 12 months and which means that they cannot meet all of the shortlisting criteria. In these instances, provided that they have demonstrated in their application form that they meet the essential criteria for the role, the applicant will be invited to interview.

The application form will include a section on disability, and an applicant can indicate whether they wish to apply under the GIS for that particular role and the basis on which they qualify for the GIS.

When considering applications made under GIS, the Human Resources Office reserves the right to request medical information from the applicant's general practitioner (through the applicant and with their consent).

Applicants with disabilities or a long term impairment, or health condition, who require reasonable adjustments to enable them to participate in any part of the selection process, should indicate this on their application. A member of the Human Resources Office will then contact the applicant to discuss.

If an applicant feels that they require any adjustments to the application stage, please contact us at recruitment@niassembly.gov.uk.
