About Us

The Assembly is at the heart of political and public life as the democratically elected parliament that represents the interests of Northern Ireland and its people.

Established as a key element of the Belfast (Good Friday) Agreement, the Assembly comprises 90 Members and has three main functions - making legislation, scrutinising the Executive and representing constituents.

In accordance with the Northern Ireland Act 1998, the staff, services and facilities which are needed to support the work of the Assembly are provided by the Assembly Commission, a corporate body comprising the Speaker and five Members of the Assembly. The day-to-day running of the Assembly is delegated to the Clerk/Chief Executive and the Senior Management Team (SMT).

The Assembly Commission provides the infrastructure, facilities and staff to allow the Assembly and its Committees to meet and to encourage public awareness of, and engagement with, the parliamentary process. It also pays the salaries of Members and reimburses the expenses which enable them to undertake their duties both at the Assembly and in their constituency offices.

The Assembly Commission is a high-achieving and professional organisation providing impartial support to the Assembly and its Members. The Assembly Commission is independent of the Executive and the Northern Ireland Civil Service.

The Assembly Commission has approximately 400 staff and an annual revenue budget of £68m. [Our organisational structure is illustrated on the Northern Ireland Assembly Recruitment website.](#)

The Selection Panel may use shortlisting as part of the selection process for this post. Should shortlisting be used, the shortlisting criterion listed at page 4 will be applied. The Selection Panel reserve the right to set a minimum standard for the shortlisting criterion and/or to only invite those who score highest in the shortlisting criterion to the next stage of the selection process. In instances where an assessment or test forms part of the selection process and is not a shortlisting tool, then all applicants must meet the minimum standard required for that assessment or test, including those applying under GIS.

If you wish to submit your application under the GIS, or if you require adjustments to enable you to participate in any part of the selection process, please indicate this on the application form or contact us at recruitment@niassembly.gov.uk. **Please note that you will be required to provide written confirmation of your disability or long-term health condition from a general practitioner or an appropriate specialist, by the closing date for applications.**
