About Us

The **Assembly** is at the heart of political and public life as the democratically elected parliament that represents the interests of Northern Ireland and its people.

Established as a key element of the Belfast (Good Friday) Agreement, the Assembly comprises 90 Members and makes laws, scrutinises the work of the Executive and represents the views of the public. It is the prime source of authority in respect of all devolved responsibilities.

The **Assembly Commission** enables the successful operation of the Assembly by providing the staff, services and facilities which are needed to support parliamentary business. The Assembly Commission is a body corporate, comprising the Speaker and five Members of the Assembly. The Assembly Commission delegates the day-to-day running of the Assembly to the Clerk/Chief Executive and the Senior Management Team (SMT).

The priorities of the Assembly Commission, as set out in its [Corporate Strategy 2023 - 2028](#), are that:

- The Assembly will be empowered to achieve its full potential.
- The public will understand and value the role of the Assembly and be engaged in its work.
- Our staff will be a motivated, resilient and expert team.
- Our systems and facilities will be modern, secure and efficient.

The Assembly Commission is a high-achieving and professional organisation, providing impartial support to the Assembly and its Members.

The Assembly Commission has approximately 400 staff and an annual budget of £67m. It is independent of the Northern Ireland Executive and the Northern Ireland Civil Service. The Commission's organisational structure is illustrated on the [recruitment website](#).

About the Role

LSO is an integral part of the structure of the Assembly Commission and currently comprises a Director, Head of Legal Services, 8 Legal Advisers, a Personal Secretary and a Clerical Officer. Its role is to provide a specialist in-house legal advice service, independent of government, to support the Assembly in its scrutiny and legislative roles. It also provides advice on corporate matters to the Assembly Commission. LSO represents the Assembly and Assembly Commission in proceedings before courts, tribunals and inquiries.

The main areas of work in which the LSO is involved are as follows:

Advice on legislation

Advice on parliamentary legal issues

Providing advice and support on legal issues across the full range of parliamentary work carried out by the Assembly and its committees.

Advice on drafting

Providing a range of drafting support and drafting services to corporate and procedural clients: preparing contractual documents, statutory rules for the Assembly Commission, and amendments to the standing orders of the Assembly, as well as advising committees of the Assembly on the text of proposed amendments to primary legislation.

Managing and directing litigation

Managing all litigation on behalf of or against the Assembly and Assembly Commission.

Apprentice Solicitors will work on litigation in which LSO represents the Assembly Commission.

An Apprentice Solicitor will be provided with a Master, a solicitor with whom the applicant will serve their Apprenticeship, appointed within LSO. Further information on the [Recruitment and Selection Framework](#) are included in the [Guidance on Recruitment and Selection for Applicants](#).

Stages of the Selection Process

Online Testing

Online testing may be used as a shortlisting tool. Invitation to test does not imply that an applicant possesses the essential criteria. The test will be held online and instructions and further information will be issued to applicants after the closing date for applications. Only those applicants who meet the minimum standard and who score highest in the test, will be considered for the next stage of the selection process: the eligibility sift.

Online testing (if required) is planned for week commencing: 23 June 2025

Eligibility Sift

The essential criteria reflect the experience and knowledge that an applicant must possess in order to be able to undertake the role. An eligibility sift will be carried out on the basis of the information contained in the essential criteria section of the application form. You must therefore demonstrate clearly in your form how, and to what extent, you meet with the essential criteria for the post.

Shortlisting

The Selection Panel reserve the right to use shortlisting as part of the selection process for this post. Should shortlisting be used, the shortlisting criterion listed above will be applied. The Selection Panel reserve the right to set a minimum standard for the shortlisting criterion and/or to only invite those who score highest in the shortlisting criterion to the next stage of the selection process. If shortlisting is not necessary, all applicants who have demonstrated the essential criteria will proceed to the next stage of the selection process.

Interview Stage

Applicants invited to interview will be assessed using the Essential Criteria, Strengths and Assembly Skills and Behaviours as outlined above.

Part of the interview process will be the delivery of a presentation. The subject of the presentation will be advised to the applicant on the day of the interview and

the applicant will be expected to present information to the selection panel.

Interviews are planned for week commencing: 21 July 2025

Disability Confident

The Assembly Commission is a Disability Confident Committed Employer and for our recruitment, we have committed to:

- ensuring our recruitment process is inclusive and accessible;
- communicating and promoting vacancies;
- offering an interview to disabled people who meet the essential criteria for the job (the Guaranteed Interview Scheme); and
- anticipating and providing reasonable adjustments as required.

The Guaranteed Interview Scheme (GIS) supports applicants with disabilities or those with a long-term impairment or health condition, that is expected to last for at least 12 months by offering an interview to disabled people who meet the essential criteria for the job. If you are applying under GIS it is therefore important that you include all relevant information in your application form. You should refer to the Guidance on Recruitment and Selection for Applicants for more information.

If an assessment or test is used as a shortlisting tool, then applicants applying under GIS will not be required to complete the assessment or test and will be offered a guaranteed interview, provided that they demonstrate in their application form that they meet the essential criteria for the role.

In instances where an assessment or test forms part of the selection process and is not a shortlisting tool, then all applicants must meet the minimum standard required for that assessment or test, including those applying under GIS.

If you wish to submit your application under the GIS, or if you require adjustments to enable you to participate in any part of the selection process, please indicate this on the application form or contact us at recruitment@niassembly.gov.uk. **Please note that you will be required to**

provide written confirmation of your disability or long-term health condition from a general practitioner or an appropriate specialist, by the closing date for applications.
