# About Us

The Assembly is at the heart of political and public life as the democratically elected parliament that represents the interests of Northern Ireland and its people.

Established as a key element of the Belfast (Good Friday) Agreement, the Assembly comprises 90 Members and has three main functions - making legislation, scrutinising the work of the Executive and representing constituents. It is the prime source of authority in respect of all devolved responsibilities.

In accordance with the Northern Ireland Act 1998, the staff, services and facilities which are needed to support the work of the Assembly are provided by the Assembly Commission, a corporate body comprising the Speaker and five Members. The day-to-day running of the Assembly is delegated to the Clerk/Chief Executive and the Senior Management Team (SMT).

The Assembly Commission therefore provides the infrastructure (including Parliament Buildings), facilities and staff to allow the Assembly and its Committees to meet and to encourage public awareness of, and engagement with, the parliamentary process. It also pays the salaries of Members and reimburses the expenses which enable them to undertake their duties both at the Assembly and in their constituency offices.

The Assembly Commission is a high-achieving and professional organisation providing impartial support to the Assembly and its Members. The Assembly Commission is independent of the Executive and the Northern Ireland Civil Service.

The Assembly Commission has approximately 400 staff and an annual revenue budget of approximately £70m. [Our organisational structure is illustrated on the Northern Ireland Assembly Recruitment website.](#)
